CALIFORNIA LEGISLATURE—2011–12 REGULAR SESSION

ASSEMBLY BILL

No. 835

Introduced by Assembly Member Mitchell
(Coauthors: Assembly Members Dickinson, Nestande, and Solorio)

February 17, 2011

An act to amend Section 88532 of the Education Code, relating to community colleges.

LEGISLATIVE COUNSEL'S DIGEST

AB 835, as amended, Mitchell. Community colleges: Economic and Workforce Development Program.

Existing law, until January 1, 2013, establishes the California Community Colleges Economic and Workforce Development Program. Existing law provides for the awarding of grants for this program, and provides that this program shall only be implemented during fiscal years for which funds are appropriated for these purposes. Existing law requires the Board of Governors of the California Community Colleges, as part of the program, to assist economic and workforce regional development centers and consortia to improve linkages and career-technical education pathways between high schools and community colleges, in a manner that, among other things, improves the quality of career exploration and career outreach materials. Existing law also requires the Chancellor of the California Community Colleges to develop an implementation strategy for achieving this goal, as specified.

The bill would authorize ~~a community college districts~~ *district* to enroll high school pupils who are not residents of the district in a program developed and implemented by the district, as specified.

~~Because this provision would impose new duties on certain school districts by requiring them to excuse absences and allow pupils participating in programs pursuant to the bill to make up work, it would constitute a state-mandated local program.~~

~~The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.~~

~~This bill would provide that, if the Commission on State Mandates determines that the bill contains costs mandated by the state, reimbursement for those costs shall be made pursuant to these statutory provisions.~~

Vote: majority. Appropriation: no. Fiscal committee: ~~yes~~*no*.
State-mandated local program: ~~yes~~*no*.
